About this job

Job description

JWT Dallas

seeks an experienced technical writer to assist with the creation of technical specifications for an enterprise wide system. The Technical Writer develops consistent and accurate technical documentation for technical and non-technical end users.

Duties:

Create a variety of technical documentation including but not limited to technical requirements, architectural diagrams, application level interactions and user guides to support security accreditation

Develop and maintain concise highly organized documentation

Translate abstract concepts into actionable and definable terms

Work with multiple teams and disciplines to develop enterprise wide technical system specifications

Understands and analyzes business processes and workflows with the objective of process documentation and/or providing recommendations for process improvement.

Demonstrates a strong web site technical understanding.

Demonstrates proven experience in a variety of analysis and requirements gathering techniques (e.g. workshops, work sessions, interviews, research, etc.)

Can successfully plan, organize, and conduct stakeholder workshops.

Produces and owns various artifacts and supporting project documentation to ensure that internal and external client comprehends the project, including:

Project features and related information

Functional, Technical and related supplemental requirements

Use case documentation and actor diagrams

Business rule identification and documentation

Activity diagrams and/or process flows

Project scope documents

Desired Skills and Experience

Knowledge, Talent & Skills

Outstanding oral and written communication skills with both technical and non-technical audience

- Exceptional organization skills and attention to detail.
- Proven work experience capturing IT requirements.
- Handles multiple tasks simultaneously.
- Proficiency with technical writing using Word, PowerPoint, and Visio.
- 3-6 years of experience in the requirement management process including: gathering, documenting, and validation of project requirements and supporting information.
- Ability to work in a dynamic advertising agency.
- Familiarity with DoDAF 2.0, not required but a plus.
- Bachelor's degree or equivalent, preferably in a business, IT or related field.

About this company

☐ Follow company

JWT is the world's best-known marketing communications brand that has been inventing pioneering ideas for the past 150 years. Headquartered in New York, JWT is a true global network with more than 200 offices in over 90 countries, employing nearly 10,000 marketing professionals.

JWT consistently ranks among the top agency networks in the world and continues a dominant presence in the industry by staying on the leading edge -- from producing the first-ever TV commercial in 1939 to developing award-winning branded content today. We are committed to attracting new talent to keep us at the top of our business. **JWT** 80 elephants die everyday because of ivory. Here's what JWT Singapore and Let Elephants Be Elephants (LEBE) are doing to stop the rapid decline of this treasured species.

**The choice is yours: How buying ivories kill off elephants**

[sbr.com.sg](#) • 80 elephants die everyday because of ivory. To

raise awareness among Asian consumers that the high level of poaching that's driven by Asia's ivory trade will kill off African elephants by 2025, JWT Singapore created a unique website that shrinks...

**JWT** "Because, let's face it, if you're a high earning ambitious woman, you might tire of seeing women continually presented as mute wife/ girlfriend/ supportive partner of action hero. You might actually want to be the hero sometimes." – JWT London's Rachel Pashley takes on the female economy in Hollywood and beyond.

**The Dow Jane Effect & The Female Economy**  
jwt.com • There's an expression: 'money talks' , and it would seem that when it comes to what I'm terming the 'great female enlightenment' or put more plainly the growing recognition that women exist to do more than....oh I don't know... snag a starter husband...
