This position may require you to submit to and pass a drug test and/or background check. If this is a hands-on position, you may also be required to pass a safety and productivity examination. PDS Tech, Inc. will comply with all applicable federal and state laws governing the use of such background checks and drug tests.

About this company

PDS Tech, Inc., formerly known as PDS Technical Services, Inc., is one of the largest staffing and HR solutions companies in the United States. PDS Tech provides comprehensive staffing services and engineering and IT solutions to the aerospace, defense, telecom, infrastructure, energy, food, insurance and other major industries. PDS Tech prides itself on quickly and efficiently “connecting the right people to the right jobs.” SM It is known among its contract employees for providing superior benefits and easy to use paperless solutions. PDS Tech operates through five subsidiary companies: PDS Engineering, PDS Information Services, PDS Maritime, PDS Aviation and PDS Direct. While it has diversified since its founding in 1977, PDS Tech has its roots in aerospace and defense and for 2008 was the 4th largest engineering staffing company in the United States. Through PDS Direct, PDS Tech provides VMS and managed service outsourcing solutions to Fortune 1000 companies. For more information visit us at www.pdstech.com or call (800) 270-4737.
